Recommendations of the Bachawat Tribunal

1994. PROF. C. LAKSHMANNA; Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) the recommendations of the Bachawat Tribunal on the relative division and utilisation of the Krishna Waters between the States of Andhra Pradesh, Karnataka and Maharashtra and the steps taken by the Central and concerned States Governments to implement these recommendations;

(b) whether it is a fact that the tribunal allotted 800 T.M.C, feet to Karnataka, 734 T. M. C. feet to Maharashtra and 560 T. M, C. feet, to Andhra Pradesh with an additional provision that Andhra Pradesh can utilise the unused and surplus waters from the quota of Karnataka and Maharashtra and also upto 10 per cent extra of its own quota which will enable the State of Andhra Pradesh upto 80 T.M.C. feet out of the existing flow, while the actual combined utilisation of the Krishna waters by these three States annually did not exceed 886 T.M.C. feet in the last ten years; and

(c) whether it is a fact that at the moment 1200 T. M. C. feet of Krishna waters are going waste into the Bay of Bengal every year?

THE MINISTER OF IRRIGATION AND POWER (SHRI B. SHANKAR-ANAND) : (a) and (b) The Krishna water Disputes Tribunal determined the flow *of* Krishna river upto Vijaya-wada as 2060 'TMC (thousand Million Cubic- Feet) on the basis of 75 per cent dependability and allocated it as under;

Maharashtra	.,	560 TMC
Karnataka	..	700 TMC
Andhra Pradesh		800 TMC

It has permitted certain addi'l-mai utilisation to the three States due to regeneration of flows in a phased manner upto 1998-99. The Tribunal has also decided that Andhra Pradesh is at liberty to use in any water year the remaining water that may be flow|ig in the river Krishna, but without acquiring any right whatsoever over its allocated share. It has also decided that the award becomes open for Review at any time after 31st May, 2000.

The basin State Governments have been sending projects for using their respective shares and the Centre has been techno-economically evaluating and clearing the projects within the framework of the Tribunal decision.

(c) Flows going into the sea vary from year to year.
